You are invited to Watch the "Goodkin AMA"!

Discord is hosting an AMA (ask me anything) LIVE 📸 with **Deb Goodkin**.

Date: Thursday, Apr. 17th 2025;   1:00 pm EST   BSD Library & Offices
                5:00 PM (GMT), 7:00 PM Central European Time (CET)

> Who is Deb Goodkin? ❗❗❗
> She is the executive director of the: FreeBSD Foundation
>
> RSVP for the event here: (https://discord.gg/vsd2Sfs3?event=1360813110994276426)

OR...

If you do not have a Discord account and would like to join us and listen\watch the AMA, we will stream the event to the: "BSD Library & Offices" on Spatial.io online at: BSD Library & Offices

PC/Laptop: All you need is a Desktop/Laptop PC and a browser (Chrome\Firefox). For the Best experience **we recommend** that you visit Spatial.io prior to the event and click "Log in" to create an account. You can also join us using the link alone in a private browser window which will create a temporary guest account for you. Here are some basic PC/Laptop Requirements:

Mobile: You can also join using the "Spatial app" on your Mobile device! (phone/tablet)

(I regularly visit Berkeley Forest on my Desktop PC running GhostBSD and on my Android Tablet.)
